For best results, print on bright white regular weight card stock. Cut along the edge with scissors (use patterned scissors along the top for added flourish). Secure on inside and outside with clear tape. Drop cupcake into center of wrapper before piping on frosting.

Cut around the outside of the circles with plain or patterned scissors or use a 2 to 2.25" scrapbook circle punch to cut out and attach toothpicks or lollypop sticks to the back before putting into frosting of cupcakes or other food. Can also be used as to decorate straws or attached to ribbon to make a hanging decoration.
