

# HALLOWEEN PARTY CHECKLIST

## DECOR:

- ☐ Start with a collection of our free Halloween party printables. <https://www.catchmyparty.com/printables/halloween>  
We have collections that work great for a not-too-scary kids' party, a ghoulish grown-up party, and everything in between. Printables will help set the stage for your party, plus they are inexpensive.

- ☐ To focus the party and give your guests something to take home, we recommend an activity like pumpkin carving or cookie decorating.
