

"LITTLE WITCHES" HALLOWEEN PARTY PRINTABLES

Before you get started, make sure you have everything you need for long-lasting, high-quality crafts and printables. Having the right supplies can make all the difference!

PRINTABLES GUIDE

CHOOSE THE RIGHT PAPER

For print projects and crafts, use a heavier-weight paper, such as [HP Brochure and Flyer Paper](#), for added durability. (Not to mention an easier time scoring, cutting, and folding!)

HAVE ENOUGH INK ON HAND

Don't let your creative streak be interrupted by an ink shortage. Make sure you have plenty of cartridges on hand before you get started.

To save money, consider [HP high-capacity \(XL\) ink cartridges](#), which allow you to print up to three times more pages versus standard size HP cartridges.¹

LOOKING FOR A NEW PRINTER?

With easy photo printing and the ability to print in sizes from 3" x 5" up to 13" x 19", the [HP Officejet 7500A Wide Format e-All-in-One](#) is an ideal choice for anyone requiring both creativity and versatility in their printer.

Explore the entire lineup of [HP Photosmart printers](#) and find the one that best fits your crafting and printing needs.
