Valentine's Day Bingo

Give one bingo card to each player. There are eight cards in total.

Pick a word from the list below and read it aloud with the corresponding number. Make sure to mark it off so you don't read it twice. The players look for the image and number on their cards, and places a marker on it (conversation hearts work great for this!) if they have it.

Continue reading off words in random order until someone fills an entire row on their card, in any direction, and yells, "Bingo!"
